

# 2017 Iron Butt Rally, Leg 3

## Allen, TX to Minneapolis, MN

### Packing List

- \_ Leg 3 Bonus Pack – Allen, TX to Minneapolis, MN
- \_ Claimed Bonuses Form
- \_ Ask Rallymaster if there are any changes or corrections
- \_ Before leaving the checkpoint, make sure you can find each bonus location and have a clear understanding of what is required to earn the bonus

WARNING: DO NOT LEAVE ON A LEG UNTIL YOU HAVE VERIFIED THAT ALL PAPERWORK IS IN YOUR RALLY PACKAGE FOR THAT LEG. EACH PAGE IS NUMBERED. THIS IS YOUR RESPONSIBILITY.

**CRITICAL: Please be respectful when placing your flag in photos. Private property and priceless museum pieces must not be used as your flag support.**

To earn any bonus, you MUST claim it on the Claimed Bonuses form. This includes Rest bonuses and Call-In bonuses. If you lose the Claimed Bonuses form, you will earn no bonus points for the leg.

REMEMBER: Unless otherwise specified, I.D. Flags are required in all photos.

## Scoring Instructions

All bonuses are available at point values listed in this pack within the time restrictions listed in the rally book.

Bonuses in the rally book are divided into five categories: Air, Land, Mythical, Prehistoric, and Water. Those categories are denoted in the bonus codes by the first letter of the code. For example, the “A” in code “ABB” indicates this as an “Air” bonus.

Riders who successfully visit and claim five(5) bonuses in a row that includes two (2) of one category and three (3) of a different category will earn quadruple (4x) the listed value of the fifth bonus in that string of five.

Any individual bonus will only apply to one string of five. The string counter resets upon completion of each string of five.

In order to earn the string multiplier, riders must visit and claim the five bonuses sequentially where the only contents of that string are two (2) bonuses of one category and three (3) bonuses of another.

Rest and Call-In bonuses do not affect a string.

Bonus Strings are NOT mandatory to be a finisher; they are simply a way to accrue more points towards your total.

**The total points required to be considered a finisher of this rally is 55,000.**

The Leg 3 Rest Bonus value is **8 points per minute** for a minimum of 4 hours up to 8 hours maximum.
